Pinckney Halloween Spooktacular

The background of the poster features a large, glowing full moon in a dark orange and red sky. Silhouettes of bare trees frame the scene. In the foreground, several children in various costumes are shown in silhouette, including a boy with a top hat, a girl with wings, a girl in a cape, a boy in a cat costume, and a girl in a witch costume holding a pumpkin. To the right, there is a silhouette of a castle and several lit jack-o'-lanterns. Bats are flying in the sky around the moon.
