

Pain Free Life Centers

Opens in Brighton

For years, Pain Free Life Centers has offered a proven alternative that helps people manage their pain. Our exclusive High-dose Laser Therapy program increases blood flow, reduces inflammation at the source of your pain, and allows the body to heal. **NO** drugs, **NO** injections, **NO** surgery, and **NO** side effects.

We are so confident in what we do that your first consultation and treatment are absolutely free. You truly have nothing to lose but your pain.
